From a visual standpoint I’m also a chameleon. I love playing dress-up, obviously—I’m a country singer!

Nikki Lane

Nikki Lane's Nashville

The high-class hillbilly shares a few of her favorite local spots

Eat

MAS TACOS POR FAVOR
702 McFerrin Ave.

One of my favorite lunch spots of all time. School comes in terms, and I can't get back to Nashville.

Drink

102 MILLBURN ST.

I'll drink at the Door! Hey, you know what I mean.

Play

107 DONELSON PIKE

I'm not a good listener. I'm not really a picky drinker, honestly.

Shop

ANTIQUE VINTAGE
1220 Gallatin Ave.

This little shop is like, you know, like, really cool.

The West Place

AT EIGHTH AVENUE
Anchorage Mall

109 Harding Pike

High-quality vintage store.

Keep Shop

100 FOURTH AVENUE N.

High-class Hillbilly's little shop is slightly down the street from High Class Hillbilly, which is available to all and can be found on Second Avenue. It is called "The Yonder." It's not really an antique, but it's really cool.
